Important A/AA Division Notes

* Pool play matches are listed above. Each match will consist of three (3) games played to 21 using rally scoring. A team must win by at least two (2) points with a cap of 23. All three games are played no matter what the split. (Please note this is a change from the rules - this allows each team nine total games in pool play with only 4 teams).

* Tournament matches will begin at approximately 3:00PM, schedule and standings will be at tournament head quarters. Tournament matches consist of three (3) games played to 21 using rally scoring with a cap of 23. If the completeing teams split the first two games, they will play a third and final game to 15 points with no cap (a team must win by at least two points).
